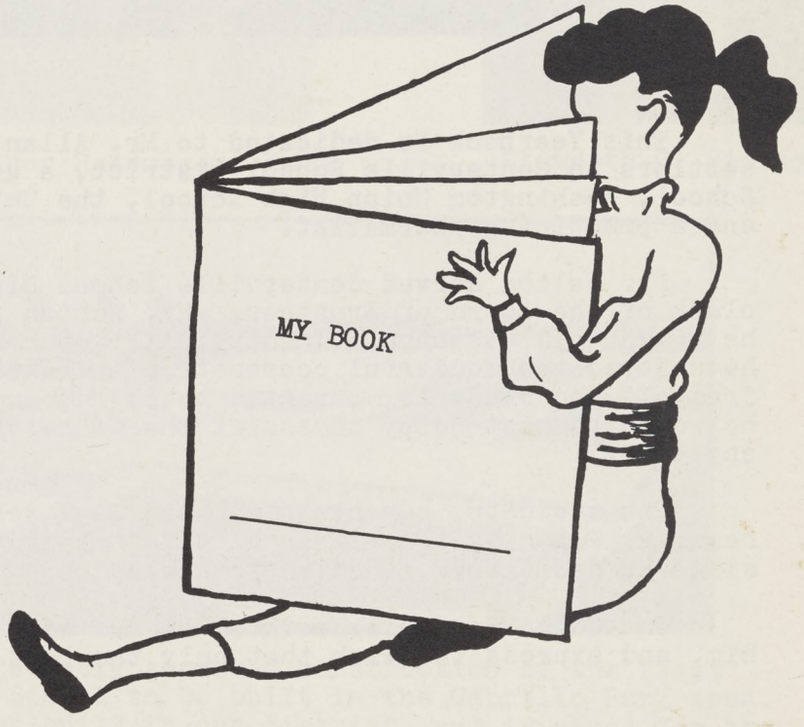
Centerville Elementary School
Fremont, California



DEDICATION

This Yearbook is dedicated to Mr. Allan E. Walton, son of pioneer settlers in Centerville School District, a graduate of Centerville School, Washington Union High School, the University of California, and a practicing pharmacist.

Mr. Walton served Centerville School District for twelve years as clerk of the Board of Trustees. Mr. Walton retired from the Board when he moved to Pleasanton. In his letter of resignation Mr. Walton stated he enjoyed the wonderful cooperation and assistance he had received from all the students, parents, teachers, and school employees and that he would be most happy to assist the Centerville School District at any time.

The students, parents, teachers, and school employees will long remember Allan Walton. This district is grateful for this man's sincere, dedicated, conscientious service.

In dedicating this Yearbook to Mr. Walton, we extend our thanks to him, and express the wish that only the best comes his way.

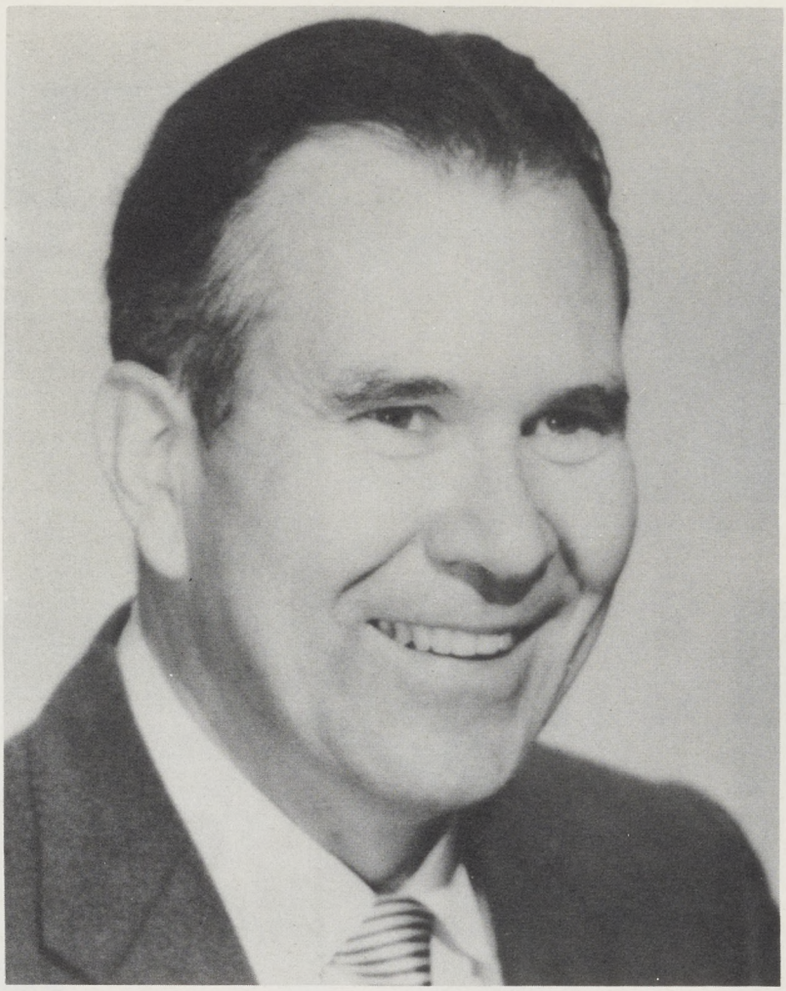
SUPERINTENDENT



Always there has been a Tomorrow's America. Always leaders have risen from the ranks of the people to guide our nation.

From our schools come the leaders of Tomorrow's America, but we know them not.

Our students have many talents and great potential. Each should do the most with what he has. We parents and teachers should watch for special skills and special talents.

Our youngsters have great assets - great strengths - these assets and strengths are needed. Students, parents, and teachers - working together - should see that they are discovered, encouraged, developed, and utilized.

Tom Maloney

PRINCIPAL

Dear Boys and Girls:

Your cooperation and wholesome attitudes have been instrumental in helping to make this year a successful and purposeful school year.

We know that the students who return next year will continue to uphold the high ideals that we all recognize as necessary in maintaining the Centerville Elementary School at a high educational and social level.

In behalf of all of our employees I wish to extend sincere congratulations to the Class of 1958, and best wishes for a happy summer to all of our students.
